### LE MANS WINS AT SOCCER

After three extra periods of 30 minutes each, the Le Mans soozer team defeated the deven representing the Third Army at Colombes Field, Paris, 3 goals to 1, and won the championship of the A.E.F.

The contest was hard fought and the play was brilliant at times, although both teams slowed up toward the latter part of the battle. The winners previously had disposed of the Intermediate Section and G.H.Q. elevance Section, 12 to 0. The line-up and summer; La Mans—Demor, goal; Cunard, r.f.b.; You, L.B.; Robold, r.h.b. ### ASKS RIGHTS FOR WORKER PANTS MOST PRECARIOUS

Restrictions on Beers and Wines Be Repealed

President Wilson cabled to the Sixty-sixth Congress this week from Paris the first message which he has not read in person since he has been Chief Executive of the United States. The message dealt largely with labor legislation and such argely with labor legislation and such

Prominent in his discussion of the latter question the President declared that returning solitiers must be assisted in getting back their old those or others for which they for fitted. He further urged immediate neglislation along the lines proposed in Servicery of the Interior Land, which which will put hand at the disposal of deciliary of the proposal of the confidence of the proposal of the confidence of the confidence

#### Calls for Reconciliation

Calls for Reconciliation

"We cannot go any further in our present direction. We have already gone too far. We cannot live our raint life as a mation or archive our proper success as an indistrial community if capital and laborate to continue to be amagnification of the magnification of the right of those wine work in whotever raint, be the genitine democratization of industry, based upon a full recondition of the right of those wine work in whotever raint, be participated in some organic way in every decision which directly affects their welfare or the partitive legislation is practicable. The Congress has already shown the way to exit the form of the participate of the standard day in every 10-1 of labor over which it can exercise central.

"I am sure that it is not necessary for me to remind you that there is one immediate and very practicable question of labor that we should need in the most liberal spirit. We must see to it that our inturning soldiers are assisted in every library are fitted in the daily work of the country. This can be done by develone

Recommends War Emergency You See Belts Are "Outer Clothing Issue" and Can't Be Saved, And-Er, Well

Smashing every tradition of the A.E.F. hat has been famous for its buttoned laps and its shiny shoes, the Scarcerow Platoon, dressed in everything from controvs held up by gravity to Paha Beach ants secured by a patent leather belt, hold in anything from salots to dancing

in the hands of the wearers, because waist belts, being construed as cuter clothing, had reverted to old Papa Q.M.

The cause of all this was the order from G.H.Q., which took effect at 4 p.m. on May 12, which required all men discharged in France to turn in all Government outer clothing and to put on civilian attire before receiving their discharge papers.

When the order was promulgated there were in the discharge camp 23 men who had to be a superstant of the control of the considering the considering the considering the considering the considering the control of the cont
